1. Scan the QR code or click the link to your left to access the user friendly platform from any device, at any time.

2. Receive an instant report showing which health plan will save you the most money. Edit responses to see how different medical needs may change your results.

3. Save or print your report and use the information to make an informed health plan selection. If you have questions, please reach out to questions@myhealthmath.com.

Did you know?

Starting a new job, having a baby, or aging off of your parent's health insurance are all qualifying life events. This means you are eligible to enroll in a health plan through Cabinetworks Group!

The information you share is completely confidential, and your personal information is never shared. MyHealthMath uses aggregated, de-identified information in its analytics. No personal financial information or SSN are required.
