Answer questions

Scan or click your unique HYKE link and answer a series of questions about healthcare needs, finances and family.

Get your Score

Your Protection Score measures your health and financial needs, and tells you which benefits will help you stay protected. Edit responses to see how different needs may change your score.

Save your guide

Save or print your score dashboard and use the information to make an informed enrollment decision.

If you have questions, reach out to questions@letshyke.com.

Don't miss out! Employees who use HYKE save \$1,300 a year on average.

The information you share is completely confidential, and your personal information is never shared. HYKE (formerly MyHealthMath) uses aggregated, de-identified information in its analytics.
